

Terrence J. Sejnowski, PhD.  
Editor-in-Chief  
Neural Computation  
November 15, 2019

Dear Mr. Sejnowski, Waleed A. Yousef  
University of Victoria, Canada

I am writing to submit our manuscript entitled *Towards featureless and language-independent recognition and synthesis of writing style: application on Arabic and English poem meter classification* for consideration as **Neural Computation** research paper.

- The paper is not being considered for publication elsewhere.
- All authors have seen and approved the manuscript and have contributed significantly for the paper.
